

## **GGEOWORKZ PRIVACY STATEMENT AND DMCA NOTICE**

### **GGEOWORKZ PRIVACY STATEMENT**

*Effective: January 1, 2010*

GeoWorkz has created this privacy statement ("Privacy Statement") to state our commitment to privacy. Privacy on the GeoWorkz web site (the "Web Site") is of great importance to us. Because we gather important information from the visitors and customers ("you") of the Web Site, we have established this Privacy Statement as a means to communicate our information gathering and dissemination practices. We may update and modify our Privacy Policy from time to time, and by continuing to use the site after posting of a modification, you accept the modification.

#### **Information Collection and Use**

You may view some areas of the Web Site at your convenience; however you should be aware that we may collect certain information from you while you are on our Web Site. For example, we may gather information and store it in our log files. This information may include internet protocol (IP) addresses, browser type, internet service provider (ISP), referring/exit pages, operating system, date/time stamp and clickstream data. We do this in order to measure interest in and use of the various areas of the Web Site. Your IP address is automatically assigned to your computer when you use the World Wide Web. Our servers record incoming IP addresses. The IP addresses are analyzed only in aggregate; no connection is made between you and your computer's IP address. (An IP address is similar to a postal code; it tells us in general terms where you're from.)

If you subscribe to our service, your use of the service will be governed by the Translation Workspace Subscription Agreement which must be accepted by you prior to your use of the service. In accordance with the terms of that agreement, we will request certain personally identifiable information from you. You must provide contact information (such as name and email) and financial information (such as credit card number and expiration date). We use this information for billing purposes and to activate your access to our services. If we have trouble processing an order, we will use this information to contact you.

GeoWorkz is a subsidiary of Lionbridge Technologies, Inc., a U.S. based company with offices throughout the world. It is possible that any personally identifiable information collected from you may be transferred to other Lionbridge sites located outside your country of residence that may not have equivalent laws and rules regarding privacy and data protection. We are committed to the security of personally identifiable information and we take reasonable precautions to maintain that protection. Although we use physical and administrative procedures to attempt to safeguard personally identifiable information, we cannot guarantee that it is completely secure from people who might attempt to evade security measures or intercept transmissions over the Internet.

#### **Unsolicited Communications ("Spam")**

We reserve the right to deny access to the Web Site as a result of any use that is disrupting or

causing harm to our computers, systems or infrastructure or to other parties, or is in violation of state or federal laws regarding "spam," including, without limitation, the CAN-SPAM Act of 2003.

## **Cookies**

"Cookies" are small text files a website can use to recognize repeat users. We may cookies to recognize visitors and more quickly provide personalized content or grant you unimpeded access to the Web Site. Information gathered through cookies also helps us measure use of the Web Site. Cookie data allow us to track usage behavior and compile data that we can use to improve the Web Site. This data will be used in aggregate form; no specific users will be tracked. Generally, cookies work by assigning a unique number to the user that has no meaning outside of the web site being visited. You can easily turn off cookies. Most browsers have a feature that allows the user to refuse cookies or issues a warning when cookies are being sent. However, the Web Site will not function properly without cookies. Enabling cookies ensures a smooth, efficient visit to the Web Site.

We may use a third-party tracking service that uses cookies to track non-personally identifiable information about visitors to the Web Site in the aggregate to capture usage and volume statistics to help us improve the Web Site. We have no access or control over these cookies.

This Privacy Statement covers the use of cookies on the Web Site only and does not cover the use of cookies by any third party.

## **Release of Information for Legal Reasons**

We may release information concerning your use of the Web Site as required by law and when we believe in good faith that such release is appropriate to protect our rights and/or comply with a judicial proceeding, court order or legal process served on us or the Web Site.

## **Business Transfer**

In the event that GeoWorkz, or substantially all of its assets, is acquired, the information collected via the Web Site will be one of the transferred assets.

## **Third-Party Sites**

This Privacy Statement only applies to the GeoWorkz.com web site. The Web Site contains links to other web sites that are not owned or controlled by us. You will need to check the policy statement of these other web sites to understand their policies. We are not responsible for the privacy practices or the content of these other web sites.

## **Security Policy**

We are concerned about privacy and endeavor to collect only as much data as is required to make your experience on the Web Site as efficient as possible. The Web Site has security measures in place to help protect against the loss, misuse and alteration of the data under our control. When you submit sensitive information via the Web Site, your information is protected both online and off-line by use of Secure Socket Layer (SSL) technology. We follow generally accepted industry standards to protect the personal information submitted to us, both during transmission and after

we receive it. While no methods are completely secure and we cannot guarantee absolute security, we strive to use commercially accepted methods to protect your personal information.
